Flashback – the first game ever to pump awesome high-octane CD ROM performance from a cartridge. The action screams along at 24 frames-per-second. Just like movie animation. And after each level, the game moves along with animated sequences that are straight out of Hollywood. Excellent!

The Plot? You play the part of Conrad Hart, a GBI agent in training. You stumble on a bizarre alien plot to conquer the earth. Now you've got to outwit and combat droves of replicants, deadly aliens, traps and other stuff too weird for words. No problem for a pro like you...NOT!

Still not convinced? Then check it out at your local game habitat. Flashback – it's like putting your Genesis into warp drive.

THE STRICKEN PLANET SHUDDERS AS THAT MOST TERRIBLE OF MYTHS — THE DEATH OF HEROES — IS MADE GRIM REALITY.

WHAT THE ~~WASSE~~ DID YOU HIT IT WITH, JULIUS?

ON THE ATOLL OF KAMUNI, IN THE AZURE EXpanse OF THE SOUTH PACIFIC, ONE ALTERCATION HAS HAD A MORE SATISFACTORY CONCLUSION...

THE BIG GUN THAT FIRES THE SPARKLY BLUE LIGHTS.

HMM, THOSE SPARKLY BLUE LIGHTS ARE THE BUSINESS. ANY IDEA WHERE THIS UGLOID CAME FROM?

YOU SURE?

MyS-TECH.

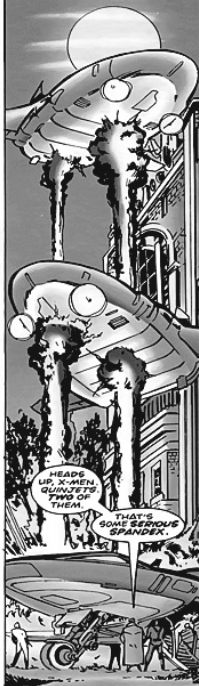

THIS DIO — THIS TRANS — THIS DOONICKEY IS ALWAYS RIGHT, HARLEY. MyS-TECH SENT THIS MONSTER TO ATTACK US.

IS THAT SO? IS THAT ~~WASSA~~ SO? C'MON JULIUS...

...WE'RE TAKING A QUICK HOP TO LONDON TO TELL THOSE MyS-TECH BOZOS THEY DON'T MESS WITH MOTORMOUTH AND KILLPOWER AND GET AWAY WITH IT.

STICK CLOSE TO ME — AND BRING THAT GUN THAT FIRES SPARKLY BLUE LIGHTS...

ON NO ACCOUNT ARE
THE BOARD MEMBERS

THEIR MYSTIC LIFE-

CRIPPLE OUR WORLD
IRREVOCABLY.

DARK ANGEL'S INSIDE

CABAL IS OUR CHIEF WEAPON.
I MOVE THAT WE ALL FOLLOW
HER LEAD.

THANK YOU
CHARLES.
ANY OBJEC-
TIONS?

GOOD.
LET'S GET ON
WITH IT.

THE MUSEUM'S PHYSICAL BARRIERS CRUSH LIKE EGG-SHELLS UNDER THE POUNDING OF STEEL LIMES. WITHIN SECONDS, THE TASK FORCE HAS GAINED ENTRY INTO THE UPPER LEVELS.

THE FIRST OF MUS-TECH'S DEFENDERS ARE WAITING THERE FOR THEM.

PSYCHO WARRIORS, GRISLY ALIEN GIGGLES WHO LAY DOWN ENOUGH BLITZING FIREPOWER TO REDUCE MOUNT EVEREST TO GRAVEL.

NOBODY EVEN BREAKS STRIDE. THEY GIVE IT ALL BACK AGAIN, EACH IN THEIR INDIVIDUAL WAY, EACH WITH INTEREST.

EVERY THING, EVERY PLACE, EVERY ONE THEY HOLD DEAR IS IN JEOPARDY. IT'LL TAKE MORE THAN GUNFIRE TO STOP THEM.

BULLPEN BULLETIN

FABE'S RAVES

When Mark Gruenwald asked me to write one of these things, I jumped at the chance to plug **WONDER MAN** in this space. Quite simply, I think it's one of Marvel's strongest — and least recognized — super hero titles (after **NEW WARRIORS**, of course). From day one, we've had **Gerard Jones** writing stories which explored both the humorous aspects of Hollywood's hottest hero — and the emotionally painful sides of Simon Williams as well. Combined with the artistic talents of **Jeff Johnson** and **Dan Panosian**, the letters of **Pat Brosseau** and the vibrant colors of **Joe Rosas**, I felt **WONDY** was one of the smoothest reads and slickest looking books we had.

So why is it such a well-kept secret? Well, maybe because we haven't done enough to shake things up for Simon. That changes now. Simon has a major four-part storyline coming up between issues #22 through #25 which will dig deeper into the character's life, personality, and powers than ever before. **Wonder Man** will literally have to go to the depths of Hades to save not only his best friend's life — but also salvage what is left of his tortured soul. The storyline will feature the villainy of the **Grim Reaper**, the **Enchantress**, and the spirits of **Baron Zemo** and the **Executioner**. But wait, there's more! **Wondy** will also have to face down **Blackheart**, the son of **Mephisto** — which will lead to a confrontation with the **Master of Darkness** himself!

That sounds like a lot going on in **Wonder Man**'s life, doesn't it? Well, I haven't even mentioned the *new costume* to debut in issue #25. Or the four interlocking covers which will be inserted as a poster into that exciting giant-sized issue. Or a very interesting romantic encounter between **Wonder Man** and his long-time dalliance, the **Scarlet Witch**.

Yes, we are giving **WONDER MAN** a major kick in the butt to get as many of you out there as possible to sample the book. For our regular readers, this is a natural progression in the storyline. For new readers — hold onto your underwear 'cause we're gonna move so fast and furious, you're gonna wind up with a *Wondy-Wedgie*!

SABAN
— Fabian Nicieza
(Pronounced just like it's spelled)

February is like the **Herve Villechaise** of months. When compared to something like January, which has as many days as **Baskin Robbins** has flavors, February just comes up short. Since February is such a homunculus of a month, we'll keep this week's column limited to short subjects.

One subject we never paid enough attention to in school was history. If we had, we would have learned more about the time when dinosaurs ruled the earth (until a royal scandal rocked the dinosaur world). Fortunately, we now have a chance to catch up on our dino-knowledge with the ultra-prehistoric four-issue **DINOSAURS** limited series. (We're talking real dinosaurs here, not that completely inaccurate **Simpsons/Honey-mooners** rip you see on TV on Friday nights.)

On November 14 of last year, the creators of Marvel's **DINOSAURS** held a signing at the far-famed **British Museum of Natural History**. Said creators also offered to carve their names in the walls of the museum, as our cave-man brothers would have done so long ago, but that offer was received about as warmly as the next Ice Age. Among the dino-creators gathered 'round the tar pits were artists **John Bolton**, **Kevin Hopgood**,

and **Garry Leach**, as well as writers **Dan Abnett**, **Nick Vine**, **Graham Marks**, and editor **Steve White**. Scientific consultant/paleontologist **Mike Howgate** was also on hand, to make sure no one made off with any dinosaur bones as souvenirs. In explaining the popularity of dinosaurs, **Steve White** said, "They were monsters that were real. They were not just fairy tales!"

One fairy tale that never seems to have a happy ending is the saga of the bopping escapades of **Hildy Mesnik**'s assistant editor, "Professor" **James Felder**. "Professor Pipes," as he's known around the office, recently was written up in the *New York Times* — and for once, it wasn't on the police blotter! The **Pop & Jazz** page featured a piece on the Prof's pulse-pounding performance at the **Knitting Factory** (covered on this page last week). The *Times* described **Professor Felder**'s playing as "often amusing" and "occasionally uninspired." Ironically, those are the very words we so often use to describe the **Professor**!

One group that never fails to inspire us is the hard-core mock and roll band, **Green Jello!** If the 1970s, wait till you see **Green Jello!** These guys dress up in costumes so outrageous, they make the **X-Men** look like mutants! **Green Jello** has a fundakeldi video and five green CD out in stores now, with an album in the works. Emerging from the refrigerator, the band has been touring the country, hitting up various night clubs and comic book conventions, including the **San Diego Comics Con**. Needless to say, these guys are big-time Marveloids from back when **Jerry Lee Lewis** was wearing blue suede baby booties. And just the other week the **GJ** gang came up to the **Marvel offices** to take a squirt at the **House of Ideas** while we got a gander of them!

We could go on and on, and we'll cut it short! Till next time, remember — everything singer **Randy Newman** said about short people was somewhat shortsighted!
